App Description

Saga is a free-to-play Candy Crush Saga game developed by King. It is a puzzle game where you use your strategy to clear levels.

Swapping candies to create matches of three or more is the core mechanic. Special candies like striped, wrapped, and bomb candies add extra challenges. The game features a variety of levels and power-ups.

Players can use boosters like extra moves, undo, and redo to help them through difficult levels. The game also includes a social feature where players can compete with friends.
